      </h2>

      <p>
```
I am a driven UI Artist with 1 year of professional experience, specializing in Figma and web technologies such as HTML and CSS. With a passion for creating intuitive and visually appealing user interfaces, I am confident in my ability to design
● and develop high-quality, functional web and mobile applications.
I am now eager to bring my skills and passion to a new challenge, where I can continue growing as a UI Artist and making a positive impact on the digital products I work on.

        <li> UI|UX Artist for Koçtaş

          <p>
```
At Koçtaş, I had the opportunity to work as a UI & UX Artist, contributing to the design of various digital platforms, including an e-commerce platform. Through
● this experience, I learned about the key considerations for creating user-centered interfaces in an e-commerce context and gained valuable experience in working with cross-functional teams.

        <li> Web Developer & Designer
          for Qraft Clothing

          <p>
```
At Qraft Clothing, I had the opportunity to work as a UI & UX Designer and develop the company's website from the ground up.
● This project allowed me to showcase my skills in creating a visually appealing and user-friendly website that effectively showcased the brand and its products.

        <li> Web Developer & Designer
          for Diabolical Studios

          <p>
```
At Diabolical Studios, a start-up freelance design studio, I had the opportunity to work on a variety of projects, including the creation and
● development of the studio's website. This project allowed me to showcase my skills in web design and development, as I was responsible for the full creation of the site, from initial concept to launch.
